

Adventures In Dance
To the parents of 6 – 8 year old Pre-Ballet Students

This summer the Academy is planning to offer a ballet camp to all 6 - 8 year old Pre-Ballet students. The purpose is to expand our students' dance experience beyond their normal class routine and have a fun summer experience.

In addition to daily dance lessons, this innovative program will also include "Story Time." Students read stories of some of the famous ballets, such as Sleeping Beauty, Swan Lake and Coppelia. Then they will have an opportunity to act out the stories themselves. In addition, there will be crafts related to dance that will help round out this fun-filled dance experience. A snack time will be scheduled (snacks not provided).

There will be two camps:

Session #1 – July 11-15, from 1 to 4 P.M.

Session #2 – July 18-22, from 1 to 4 P.M.

Students may attend either session of their choice – or even better, both session. The cost of one session is \$150.00. The cost for two sessions is \$300.00. Enrollment will be limited to 12 students for each session. Avoid disappointment. Sign up early to reserve your place.
