LEVEL PLACEMENT AND CURRICULUM

Curriculum—Classical

The Pennsylvania Academy of Ballet is offering two 2-week Classical Ballet Intensives in the summer of 2018 designed to challenge all students. Instruction focuses on classical ballet technique based on the Vaganova curriculum of training and includes (depending on the Level) pointe, variations, partnering, and conditioning classes.

The program is designed for students age 9 and up who have had a minimum of one consecutive year of ballet training. Classes are small, which fosters an environment of individual attention and provides a basis for personal growth.

Level Placement

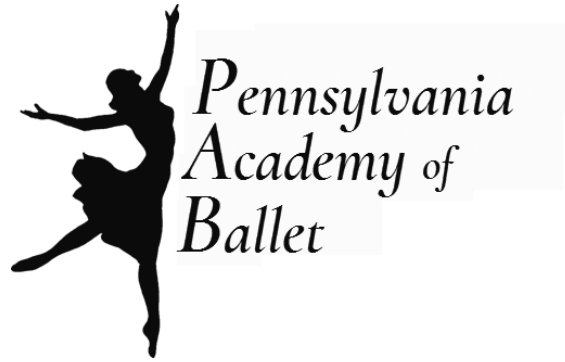

Level determination for our classical intensives is based on taking a placement class at the Academy any time from March 1 to May 31. Please call for an appointment. If you can not come in for a class, please call the studio (610) 664-3455 to discuss placement.

Contemporary

The Pennsylvania Academy of Ballet is offering a 4-day Contemporary Intensive in the summer of 2018. The Contemporary Intensive is open to intermediate-advanced level dancers, ages 12 and up.

- Regular Division Levels are determined by age and previous experience.
- Adult Division - Beginner, Intermediate, and Advanced are for adults and teens.
- All regular Ballet Technique classes are 1 ½ hours.
- Variations, Partnering, and Floor Barre are 1 hour classes.
- Classes indicated with an asterisk (*) are 2 hour classes which include pointe.

The school can assist in locating housing for out-of-town students.
